# Message

Since our Inception as a ministry, the continuous support we have received from cherished people like yourself has been a blessing to our work and the people we serve.

I believe it is important for me to say “thank you again and again” for your unwavering support of our work. We are able to serve because of wonderful and cherished donors like yourself.

2023, has been an eventful year for us at STG, and as always we continue to see God use our ministry for His purpose in several ways to touch lives and bring people into a loving relationship through the Gospel.

We have put together this brochure to give you a brief update on our works in 2023 in some countries we served and activities we have undertaken by God’s grace.

I hope that you find the information in this brochure useful.

Yours in the Lord's service

**Edward Agyeman**

# Where We Have Served

2023, has been an exciting year for us at STG. The kind support from you and others has enabled us to continue our service in the following countries.

**United Kingdom**  
(Home Base)

**Ghana**  
(West Africa)

**Kenya**  
(East Africa)

**Liberia**  
(West Africa)

## The Year 2023

In 2023, our focus has been on:

Gospel Outreach | Discipleship | Mentoring | Pastoral Support | Educational Sponsorship | Providing aid to young people who are struggling financially.

# United Kingdom

We held meetings in the United Kingdom both online and in person. We saw people across different parts of London coming to our meetings. Our online meetings also had people join from Sierra Leone and Ghana.

People in London who attended our conferences were blessed by the messages from our speakers and it was a tremendous blessing to see lives impacted by the Gospel and the teachings from God's word.

In London, this year, we had the privilege of celebrating the 20th anniversary of our founder's call to ministry. People from different parts of London attended this meeting as we took time out to celebrate God for His goodness.

# Kenya

This year, a few of us, comprising volunteers from England and Ghana, went to Kenya for missions. We were hosted by Christian Life Fellowship and Anointed Family, both based in Buruburu, in the capital city of Nairobi.

Together with Christian Life Fellowship Kenya, we organised several meetings with the focus on encouraging believers in the region in their relationship with God and also to affect their community with the Gospel.

We also held a relationship seminar with a focus on preparing young people to make sound decisions in relationships and eventually be godly spouses in their marriages.

## ORPHANAGE VISIT

We have had the privilege of supporting Hope and Faith Home for Special Children since 2019.

Once again, we made our annual donation of food items and a refrigerator to help in the care of these wonderful children.

THANK YOU FOR GIVING TO HELP US IN OUR SERVICE.  
WE ARE GRATEFUL TO YOU.

# We would like to express our *Sincere* gratitude to all our *Ministry* Partners

We are grateful to God for the  
individuals, families, churches  
and organisations that support  
us at STG.

# Ghana

Ghana has been our mission hub since 2009 when a few of us made our initial trip. Since then, we have had the privilege of gracing this country and working with different churches in spreading the Gospel and providing aid to the needy. The following are some of the activities we have conducted in Ghana in 2023: street evangelism, charitable donations to the needy, conferences, seminars, community gospel outreach and pastoral care.

Our work in 2023 has been in three regions out of the sixteen regions of the country. These regions are namely, Ashanti region, Greater Accra and Upper East Region. Our work in these regions has been through partnerships with some ministries and our teams based in these regions.

Upper East has been a region that has become of particular interest to us over the last two years. Our work within this region is steadily growing and we are excited about that. For the first time in the Upper East, we partnered with the student Christian Chaplaincy of Bolgatanga Technical University (B.T.U.) to hold a conference on the university campus. God, by His grace, touched and changed lives. It was a successful collaboration and a partnership we hope to deepen. We were well received by the minister in charge of the chaplaincy by the name of Reverend Moses. His reception towards us was a blessing. In the Upper East, we also had the opportunity to make a donation of educational materials to encourage students in their academic pursuit.

# Liberia

Liberia is a country located in the western part of Africa. As part of our vision of spreading the Gospel, we connected with Christian Life Fellowship, a ministry based in Monrovia J-Liberia to conduct our maiden mission work in this nation.

Our purpose was to gather believers to teach and encourage them with God's word. We believe that if believers within a region are well-equipped with God's word, the body of Christ can make an impact through the expressions of the believers in that region and other places they go to. Traveling and strengthening the body of Christ through sound teaching is a core aspect of our ministry activities. Therefore, gaining this opportunity into the land of Liberia is a major milestone and privilege cherished by us as a ministry.

Ministry activities in Liberia included sharing fellowship with some believers through prayers, worshipping through songs and practically teaching the word of God with all seriousness and simplicity.

# Charity Activities

Our charitable activities focus on **children, youths and young adults**. Through the partnership we received, we were able to support;

## ● KENYA

We were able to provide Hope and Faith Orphanage with a refrigerator and food items to help care for the children in Juja, Kenya.

## ● GHANA

Able to provide educational sponsorship/ scholarships

Provide pastoral support and financial aid to some young people.

# Vision 2024

We are trusting God to do greater works through us and for new opportunities to serve more people in the year 2024.

Our heart's desire is for men and women to turn to Christ and find hope in Him. Therefore, we are passionate about sharing the Gospel and in 2024, our focus is to keep sharing the Gospel and providing Humanitarian aid to the needy.

Reaching lives with the Gospel beyond the United Kingdom has been one of our focuses in our ministry. And in 2024, we are praying for God's grace to enable us to visit the countries listed but not limited to, below;

Kenya | Ghana | Sierra Leone | South Africa | Liberia | China.

## WE INVITE YOU TO PARTNER WITH US FOR 2024.

Partnership is key to our operations at STG. The donations we receive enable us to serve where we do and we are grateful to all those who support our work.

Your support will help us to

Conduct our missions (by sending out our teams)

Provide discipleship and pastoral care to believers

Support missionaries in different parts of the world

Provide humanitarian assistance to the needy

# Testimonials

Over the years, CLF-Kenya has been working closely together with STG under the leadership of Rev Edward Agyeman.

STG is a Christ centered ministry that focuses on strengthening the body of Christ through various denominational and non-denominational conferences.

It has also brought smiles to many different individuals through their generous humanitarian programs such as supporting orphanages, educational sponsorships, etc.

This year, we had the privilege of hosting them in Kenya again for a believer's summit and singles meeting which was very impactful and empowering.

I pray that the Lord continues to empower them as they keep touching and impacting lives around the globe.

# Testimonials

STG programs have been an incredibly impactful journey for me, including this year. It has brought about a profound shift in my understanding of what marriages and relationships are truly supposed to be, with a focus on our relationship with God.

STG programs have provided valuable insights, guidance, and wisdom that have allowed me to see the beauty and depth of marriage and relationships in a whole new light. It has emphasized the importance of not only the human connection but also the divine connection with God as the foundation.

Through STG, I've learnt that a strong and God-centered relationship is built on love, trust, mutual respect, and a shared commitment to spiritual growth.

I am truly grateful for the wisdom and knowledge I've gained through STG. Also, our Bible study on how the Bible was written has helped me know how powerful we can be through the help of the Holy Spirit and also why I should take reading the Bible very serious because of what it carries and the struggles that brought about it

Thank you STG

It's an honour and blessings to have Rev Edward in Liberia.

The community of believers in Liberia have been deceived and manipulated with religious doctrines. But through Rev teachings (Believers SUMMIT) the true gospel was unfolded, many were delivered from false doctrines and embraced the true gospel of Christ.

The believers Summit also served as an inspiration to our youths, many became committed to studying the word, prayer and soul winning.

We are wishing to have Rev Edward in Liberia again.

# Testimonials

I'm Asuako Mercy and I would like to give testimony about how STG has blessed my life. I was struggling with some doubt of my closeness with God and my relationship life but through STG, I have come to realize that I'm having a close relationship with God and I have gotten to know that God factor is necessary in choosing a partner.
